

## Call for Abstracts

# FinCOSPAR 2026

*20-23. January 2026*

*Aalto Dipoli, Espoo, Finland*

**Finnish National Committee on Space Research COSPAR** invites scientists, engineers, and students worldwide to submit abstracts for oral and poster presentations at the upcoming **FinCOSPAR** conference, organized in conjunction with **Winter Satellite Workshop 2026**. Annual Winter Satellite Workshop will bring together hundreds of researchers, engineers, policy makers, entrepreneurs and students all over Europe. Participation in the conference is free of charge.

Contributions are welcome in all areas of space research, including space science, astronomy, space technology, exploration, Earth Observation and applications. All abstracts are submitted via

<https://spaceworkshop.fi>

and evaluated by the Program Committee.

**Abstract submission deadline: 30.10.2025**

**Notification of acceptance: 15.11.2025**

**Program publication: 15.12.2025**

**Conference: 20 - 23.1.2026**

Join us to share your latest results,  
exchange ideas, and shape the future of space research.
